

## MEMBERSHIP INFORMATION

The Manufacturers Representatives Educational Research Foundation (MRERF), a not for profit organization, was founded in 1984. MRERF is a charitable education Foundation, supported by a variety of industry trade Associations. The Foundation is dedicated to:

- Raising awareness of the independent multiple-line selling organization
- Providing professional development for Representatives and their channel partners
- Funding research concerning the Representative function of business
- Providing information on the value of the function to the marketplace

Membership criteria are as follows:

- Membership shall be limited to Associations or other organizations with Manufacturers Representatives
- Member Associations must have not for profit status.
- Member Associations shall pay annual dues of \$6 per member firm. (Rep members only) (\$250 minimum)
- The MRERF Board of Trustees must approve written applications.

### Member Benefits

- Access to MRERF programs, products and materials for all Association members
- Representation on the MRERF Board of Trustees.
- Assistance with speakers and educational programs for conferences and meetings.
- Promotional materials and articles.
- Availability of MRERF staff for promotion of programs at Association conferences and trade shows.
- Promotion of Association membership in all MRERF contacts with individual representative firms and with manufacturers.
- Link to Association on MRERF website ([www.MRERF.org](http://www.MRERF.org))
- Promotion of Certified members on MRERF website

To apply for membership please complete the application and mail or fax to:
